

Navigating the Behavioral RollarCoaster
MSWAP- October 2022
Cathy Braxton, CEO/ Owner/ Content Creator improv4caregivers

1. How do we define behaviors?

2. What is an antecedent? Which antecedents have you witnessed

3. Let's talk about the physical and social environment

4. Motivations that move us to act and react

5. The importance of documentation. How do you manage this and how does it work for your team?

In every rollercoaster there is a beginning, middle and end... but never forget the line leading up to the experience. So what are they exactly and what is our part in the entire process:

Getting in line	Beginning the ride	Ups and downs of the ride	Exit the car	Gifts
-----------------	--------------------	---------------------------	--------------	-------
